Hello,

I hope that you are all well and still coping as best you can with the difficult circumstances that we all continue to find ourselves in. I have kept some sections of this letter the same as last time as the resources information etc is still valid.

As you know we are all missing the children so much and are looking forward to seeing them.

I'm sure you are all aware of the announcement last night by the government re the wider opening of schools; they now consider their 5 tests have been met. I sent you the letter from the Local Authority on May 19th advising us not to proceed and the governors' wholehearted support of this. We now await the Local Authority, along with local Public Health body, to advise what is happening with schools next and I will update you as soon as we get that information.

In the meantime school is still operating as it has done since lockdown and this will not change next week. Please get in touch if you require a key worker place. The government criterion for these places hasn't changed.

I am aware that there will be some of our families who have been affected by the virus in a personal way and we have uploaded some resources onto the website that may be of some use. They are posted on the Parents tab; just click on the word parents.

Throughout this time our school community has continued in its various virtual forms and shows the strength that we have in it.

Do not hesitate to get in touch with me by email if you need any help and I will try my best to assist,

head@shade.calderdale.sch.uk

Sending you my very best wishes,

Helen Clarkson
