Hello everyone,

It's hard to believe we are nearly at the end of our first half term!

We will be finishing the half term with a 'Spooktacular day' organised by our parents group. A text was sent out with all the details. This will hopefully make up for not being able to have a Halloween disco.

FOSPTA are working hard, trying raise funds for our replacement minibus. The bags2school was a great success raising a record £262!! They now have a virtual Christmas fair that is online via a facebook event, where many stallholders are selling all manner of things for Christmas presents etc. There is also a raffle featuring many products from them.

You will see on the dates list that parents evenings are going ahead but via phone calls. Please check bags for the letter on Monday and return your slips asap.

The children have all been working very hard and it has been wonderful to see their work and give out some of my special certificates and stickers. We have carried out a range of assessments to establish where the children are in their learning and will be using this information to determine exactly what they need next half term.

It has been great to see children enjoying school trips. We have fully risk assessed them all and none of them involve any contact with other schools so don't affect the class bubble that the children are in. These are an important part of our curriculum as they really help expand the learning that the children are doing in class.

Best wishes, Mrs Clarkson
