Friday 13th November 2020

Dear Parents and Carers,

Firstly, my apologies that there is no newsletter this week – but we've all been rather busy!

I would like to thank the parents and guardians of Year 5 and Year 6 for their prompt response when we had to close their bubbles this week. Year 6 have had their first full day on Teams learning today which has been a great success. Miss Norman is looking forward to seeing all of Year 5 online on Monday.

We can assure you that we are taking all social distance and cleaning precautions as recommended by public health. Therefore it is incredibly unfortunate that two bubbles had to close this week due to two unrelated cases.

With regards to next week, although I am self-isolating at home, I am still deputising for Mrs Clarkson whilst she is not at school. Please contact school as usual and the Office will pass on any messages to me at home. If I need to call you from home, this will be displayed as « private number » - please bear this in mind for the next week.

With Many thanks for your continued support

Miss McCracken

Deputy Headteacher
Shade Primary School
